【前言】

金门虽只是闽南沿海一座小岛，却具有其独特的地理位置和历史渊源。隋唐草莽、宋徽教化、明强武功、文官武将、史册不绝，在中国历史的关键时刻，屡屡突显其特有的重要地位。

【Foreword】

Although it is just a small island off the Fujian coast, Kinmen is in a unique geographical location and historical position, which it has occupied from the Song, Ming, and Qing Dynasties. It has played major roles in Chinese history; for this, the island is considered a strategic location.

【参. 闽南文化】

闽南居民是汉族的一支，其语言及宗教信仰、民间习俗、宗祠祭祀等，都有许多汉族民族的典章制度。从今日金门的传统民居、风物民俗、宗祠祠堂及民俗节庆等活动，都可看出其所保留的闽南文化特色。

【III. Fujianese Culture】

The Fujian people are a part of the Han tribe; many of their religious beliefs, traditions, and temple rites are similar to those of the Han tribe. Remnants of the Fujian cultural characteristics can be seen in the traditional residences, belief in the wind lion god, ancestral shrines and temples, as well as in folk activities.

【肆. 自然生态】

长期的军事管制，及金门的生态环境，拥有许多得天独厚、未经人工雕凿开发的原始之美。至今海岸线上仍拥有洁白的沙滩、清澈的海水、湛蓝的天空、静峻的岩石。

【壹. 史地沿革】

金门旧名渚洲，又名仙洲、渚江、沧渚等。明洪武二十年（1387年），江夏侯周德兴筑千户所城巩固海防，御敌防盗，以金城之地理形勢「固若金汤，雄镇海门」，因名「金门」。

【II. Our Land, Our People】

Kinmen is located at the junction of the Jiulong River and Xiamen Island of Mainland China. Besides the main island, there are 15 more islets including Lieyu, Dado, with a total area of 150 square kilometers. Kinmen is wider in the east and west, and narrow towards the center; it is shaped like a bottle.

【伍. 特产小吃】

在观光潮流的推动及溯之源下，结合了产业与文化，具有本土风味的金门特产呈现在世人面前。金门的特产，最有名的莫过于「剪刀、贡糖、高粱酒」，除此还有面线、高粱醋、瓷器、陶制品。

【V. Local Delicacies】

In opening up the island for tourism, visitors have slowly gotten to know and enjoy the island's local delicacies. Kinmen is most famous for its 'knives, peanut candy, and Kaoliang liquor.' In addition, products include thin noodles, Kaoliang vinegar, ceramics, pottery, and medicines.

【结论】

随著新世代的到来，一个属于中国人的新世代，也即将来临。未来的金门，希望能以其丰厚、纯朴的内涵，让这处曾披著神秘面纱的金门，呈现其真实而瑰丽的面貌。

【貳. 战地史蹟】

1949年之後，金门曾经扮演近五十年的战地角色；至1992年，军事管制解除後，才开始迈入发展观光产业的新时代；2001年元旦，金、厦「小三通」正式启动，「金门」转而为两岸互动的关键角色。

【II. War History】

Since 1949, Kinmen has become a battleground for almost 50 years. In 1992, martial law was abolished in Kinmen and a new age dawned, tourism becoming a big industry. On January 1, 2001, direct links between Kinmen and Xiamen were established, which allowed Kinmen to become the crucial location for cross-strait contacts.

【参. 民俗资讯】

Table with columns for Kinmen (金门镇), Xiamen (厦门市), and Quanzhou (泉州市). It lists various services like hotels, transportation, and local products with contact information.

【肆. 自然生态】

Under the past military rule, Kinmen's natural ecosystem, including the white, sandy beaches, clear waters, blue sky, uniquely shaped rocks, received a high degree of protection. In the 1950's, the R.O.C. military moved in, and the islanders started beautifying Kinmen, covering the land with spreads of trees and flowers.
